Sir:

**COMMUNICATION REGARDING INFORMATION DISCLOSURE STATEMENT**

Applicants note that the Search Report in the corresponding PCT application cited Opalinska et al., ("Design of Antisense Oligonucleotides, and Short Interfering RNA (siRNA) Duplexes, targeted to BCL 6 mRNA: Towards Rational Drug-Development for Specific Lymphoma Subsets. Blood 2003, Vol. 102, No. 11, pages 137a-138a), however this citation does not correspond to any publication authored by Opalinska et al.

It appears that this citation is an error on the part of PCT Search Authority.

Respectfully submitted,
